_____ to attend all meetings, unless providentially hindered. If I am unable to attend, I will contact Josh josh.mathew@cwchurch.com so others in my huddle and take responsibility to keep current with my group. As much as is in my control, I will arrange work and other commitments to not conflict with 365 meetings.

_____ to be prompt in attendance. Times for many of the events are in the calendar.

_____ to engage in daily personal worship. This includes a commitment to spend time in prayer and Bible reading to grow in my relationship with God.

_____ to complete all exercises to the best of my ability.

_____ to participate in group discussion and activities. I will be ready and willing to give an account of my spiritual progress at huddles for the purpose of accountability and greater spiritual growth.

_____ to protect the confidentiality of my group. I pledge to keep all discussions shared in this group confidential to create an environment of trust, openness, honesty, and safety.

_____ to pray for non-believers within my circle of influence and to seek opportunities to share the gospel and serve them.
